

Bring A Touch of Stately Homes by-the-Sea Charm To Your Own Home

Floral Designing Event
June 8th beginning at 11:30 am

As visitors tour the Stately Homes by-the-Sea Designer Show House, they often think wistfully of their own home; wondering how they can replicate the gracious beauty of the Holly Hill estate. **On Wednesday June 8 artisan and floral specialist Steve White will demonstrate how to grace a room with Stately Homes by-the-Sea magic.**

White's artful and unique arrangements are on display on the first floor of Holly Hill. Known for his simple and modern approach to flower presentation, White will reveal how to use a variety of natural elements with his custom crafted Stems Vases to create a sleek, stunning arrangement that can lift any room in your home.

Steve White began his career and a member of The Blue Man Group, performing in over 3,000 shows around the country, as well as producing music for various artists and ensembles. For this artistic endeavor, White teamed up with good friend and collaborating partner Jan Schultz to create and craft the Stems Vases.

Steve White will appear at Stately Homes by-the-Sea on Wednesday, June 8 beginning at 11:30 am. Stems Vases and floral arrangements will be available for sale.

Only two weeks left to experience enchanting Holly Hill. After June 12, this edition of Stately Homes by-the-Sea will just be a beautiful memory.
