Lunch break with Scott Sanders

Popular interior designer and Stately Homes by-the-Sea participant Scott Sanders will sign his book, **Picture Perfect: Designing the New American Family Home** in the Holly Hill living room of his design on Friday, May 20th from 11:00 am ~ 1:00 pm.

A graduate of Parsons School of Design, with a degree in Interior Design, Scott Sanders began his professional career at Polo Ralph Lauren. He created the company's Interior Design Department and, as design director, transformed the residences of Polo Ralph Lauren clients in California, Florida, New York, Connecticut and Paris. In 2000, Scott Sanders LLC was founded. Specializing in residential interiors, Sanders' impressive portfolio includes homes in New York City, Aspen, Bridgehampton, Miami Beach, Palm Beach, and Jumby Bay, Antigua.

Picture Perfect is an inside look at Scott Sander's step-by-step process of realizing one family's perfect home. The start-to-finish story of the transformation of the Anderson's home – as documented through original floor-plan drawings, color schematics, and extensive photography – **Picture Perfect** is also the biography of a designer at the top of his form, perfecting his own fresh, unique style.

Picture Perfect: Designing the New American Family Home will be available for purchase at Stately Homes by-the-Sea on May 20th.
